A difference you can see.

➤ At Toshiba, we're illuminating the world by introducing lighting technology that gives you everything you want and nothing you don't. That's why we like to think of it as pure light. Our LED lighting uses powerful E-CORE™ Technology born of 120 years of lighting heritage combined with our limitless electronics knowledge. We are 100% focused on LED lighting and committed to making it the prominent technology in the lighting industry. Using our extensive experience in both the electronics and lighting industries, we are transforming the lighting landscape in a way no one else can.

Visit us at LightFair International booth #2145.
