Marta Baumiller
of **Lampa**

product Pussy.
standout Crafted of FSC-certified wood veneer, the 35-watt LED pendant fixture comes in lady-loving pink—making both a design and a political statement. lampa.com.

Robert Sonneman
of **Sonneman—A Way of Light**

product Waveforms.
standout A bell-shape aluminum shade with an undulating edge gets an extra jolt courtesy of LED light reflecting off its apricot-hued interior. sonnemanawayoflight.com.

Michiru Tanaka
for **Kaneka Corporation**

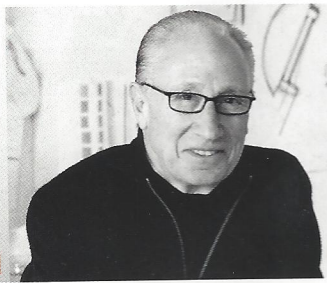

product En.
standout A high-tech nod to traditional Japanese screens, the wall light encompasses 18 thin OLED modules that connect via magnets. kaneka.com.

Sina Sohrab and Joseph Guerra
for **Good Thing**

product Cabin.
standout Space-shuttle interiors inspired the Visibility cofounders' pendant fixtures, the frosted-glass shades diffusing otherworldly light. supergoodthing.com.
